BALBOA ACADEMY

High School Profile 2025 - 2026

MISSION
Our comprehensive and engaging educational program is dedicated to fostering innovative intellectual growth.

We honor individual differences and diversity, while focusing on the development of the whole child. Our nurturing community inspires students to become responsible global citizens with integrity and compassion.

VISION
Together we cultivate a caring community of lifelong learners, independent thinkers, and builders of a promising future.

OVERVIEW
Balboa Academy is a private, co-educational day school founded in 1999 that provides a college-preparatory education for students from PK3 through Grade 12. The Academy offers a U.S. standards-based curriculum, with English as the language of instruction, and is accredited by Cognia/AdvancED as well as the Panamanian Ministry of Education (MEDUCA). In December 2022, Balboa Academy became a proud member of the Inspired family of premium schools, joining a global network committed to academic excellence, innovation, and holistic education.

The academic year runs from August through June, and current enrollment is 795 students. Our student body is truly international, with 41% Panamanian, 15% U.S., and over 30 other different nationalities represented. This diversity enriches our community with a wide range of cultural perspectives and experiences.

PROFESSIONAL MEMBERSHIP
Balboa Academy is a member of International Association of College Admissions Counseling, American School Counselor Association, The National Honor Society, The National English Honor Society, The Science National Honor Society and the Association of American Schools in Central American.

HIGH SCHOOL STUDENT BODY
Currently, there are 289 students enrolled in high school, grades 9-12.

The Senior class number is 76, the Junior class 76, the Sophomore class 79, and the Freshman class 58. All students graduate with the U.S. High School diploma and a Bachiller en Ciencias y Letras from Panama. Ninety-nine percent (99%) of graduates go on to university studies.

CURRICULUM
Balboa Academy offers a college-preparatory program with over 80 high school course options designed to challenge students and prepare them for success in higher education. Our curriculum includes 23 Advanced Placement (AP) courses and 8 PreAP courses, providing students with a wide range of opportunities to engage in rigorous academic study. Enrollment in AP courses depends on the master schedule and approval by the AP teacher.

AP subjects include: Art History, Biology, Calculus AB, Calculus BC, Chemistry, Computer Science Principles, English Language, English Literature, Environmental Science, Human Geography, Physics 1, Pre-Calculus, Psychology, Seminar, Research, Spanish Language, Spanish Literature, Statistics, Studio Art 2D, Studio Art Drawing, U.S. Government, and World History.

Balboa Academy students have demonstrated outstanding results in AP exams. In May 2025, a total of 239 students took 527 AP exams, with 85% earning a score of 3 or higher.

AP CAPSTONE DIPLOMA
The AP Capstone Diploma develops students' skills in inquiry, research, collaboration, and academic writing, while complementing the rigor of other AP courses. To earn the diploma, students must pass AP Seminar, AP Research, and at least four additional AP exams.

SERVICE AND LEADERSHIP
Balboa Academy empowers students to become leaders and engaged citizens through meaningful community service and extracurricular opportunities. To graduate, students must complete 80 hours of community service. Our high school student council (DRACO) leads school-wide activities, while more than 45 student-founded and student-led clubs allow students to explore leadership, service, athletics, arts, and personal interests beyond the classroom.

HIGH SCHOOL CREDIT SYSTEM AND GRADUATION REQUIREMENTS

High school students at Balboa Academy earn dual diplomas, US COGNIA Diploma and Panama's Ministry of Education "Bachiller en Ciencias y Letras". Balboa Academy has a rigorous college preparatory program, which requires students to successfully complete eight semesters of High School attendance and 28 credits are required to graduate. One-half credit is given for the successful completion of each semester of a course. Students enrolled in year-long courses are expected to complete both semesters of the course.

Note: High School students are required to take a full-time schedule of seven courses each academic year. One mathematics Algebra 1 credit may be earned in Middle School.

ENGLISH	4	WORLD LANGUAGES	1
MATHEMATICS	4	FINE & PERFORMING ARTS	1
SCIENCE	4	PRACTICAL & TECHNICAL ARTS	1
SOCIAL SCIENCE	4	PHYSICAL EDUCATION & HEALTH	1
SPANISH	4	ELECTIVES	4

28
